Operation Mobilisation

Welcome to Morning Prayer at St George's Church
Today we are pleased to welcome our guest speaker,
Lawrence Rabone from OM.

A hearing aid loop system is installed in the church. Please switch your hearing aid to **T** or ask someone on the sound-desk for help with this.

After the service there may be music from the organ or the singers; please feel free to sit and listen, or join in, or make your way to the back of the church for a chat and a chance to get to know each other over a cup of tea or coffee.

Leading Prayers at Church Services

At our Sunday church services people from the congregation lead a time of 'Prayers' and we would like to invite others to consider joining this small team. Your prayers could encourage those in the congregation to pray and be more confident in their Christian faith. If you had one prayer to share with others at a Sunday service, what would it be? Try writing it down then read it out aloud. We know some may feel nervous about leading Prayers at a service, so we are planning short sessions to encourage and share simple skills to give confidence. We hope you will join us at one of these sessions. Do let us know by contacting Sue Foster.

The Lent Course starts this Tuesday, **24th February** at 12 noon, repeated at 7.45pm in the Church Hall, continuing weekly until 24th March.

We are exploring readings from Matthew's gospel at our Lent course, as we follow the narrative of Jesus' journey to the Cross. There will be opportunity to reflect and dig deeper in the sessions, and in your own time. Each session lasts for 1 hour, so please choose the time that suits you. It is open to all who would like to spend time this Lent listening to God's word and learning to follow him together, and regular home groups will be taking a break during this time.

Please do speak with John or any home group leader for more information.
