Noah

Genesis 9: 1-17

Welcome to July's All Age service at St George's Church

A hearing aid loop system is installed in the church. Please switch your hearing aid to T or ask someone on the sound-desk for help with this.

After the service there may be music from the organ or the singers; please feel free to sit and listen, or join in, or make your way to the back of the church for a chat and a chance to get to know each other over a cup of tea or coffee.

Outcome of St George's Annual Gift Day 2026

Following our Gift Day in May towards the role of our Children & Youth Worker, we are delighted to have received donations of £12,008, which increases to £14,605 once Gift Aid is reclaimed. Thank you so much to all those who gave so generously again this year.

We are also thankful to those who continue to give faithfully each month towards the funding of the role as these monies, together with those raised from our Gift Day, provide valuable support in funding this important ministry in the life and work of St George's. If you would like details of how to make a regular monthly donation towards this particular aspect of God's work in our parish, please have a word with Laura or the church office.

Our Daily Bread

Survey after survey have said that many more people own a copy of the Bible than read it. Everyone needs a little help when reading the Bible. Daily Bible reading guides have helpful notes on different Bible passages to help you understand what you're reading and relate it to modern-day issues and events. There are a few free copies of 'Our Daily Bread', a popular Bible notes series, covering July-September, available at the back of the church; a chance to 'try before you buy'.

For more advice on daily Bible reading guides please have a word with your Home Group leader or any member of the Ministry team.

SGP Bible Teaching Training Courses

Would you like to understand the Bible better and be equipped to help teach it to others?

This is a vital need in today's church, for the equipping of all believers for works of ministry, and to raise up a new generation of those who will faithfully pass on the Word of God.

The Sussex Gospel Partnership (of which St George's is a member) runs highly recommended courses on Tuesdays (weekly) and Saturday mornings (monthly) to do exactly this. Courses start in September. Speak with John for more details.
