A hearing aid loop system is installed in the church. Please switch your hearing aid to **T** or ask someone on the sound-desk for help with this.
If you need information in a different format to access it better, please let us know.

After the service there may be music from the organ or the singers; please feel free to sit and listen, or join in, or make your way to the back of the church for a chat and a chance to get to know each other over a cup of tea or coffee.

Sunday 8th November. During next Sunday's service we will be pausing at 11am, with the rest of the nation, to remember the service and sacrifice of all those who have defended our freedoms and protected our way of life. We will remember the Armed Forces, and their families, the vital role played by the emergency services, and those who have lost their lives as a result of conflict or terrorism.

Service In Memory - Giving thanks for those who have gone before.
This afternoon - Sunday 1st November 3.00pm.
Every year we like to hold a service in memory of those loved ones who have died, whether recently or at other times. It is a time to remember, to support and pray for one another, and a time to hear of God's promise and love.
We are inviting those we have been in touch with during the last couple of years through our bereavement ministry.
If you know of anyone whose loved one has died recently and feel this service would help them, please do invite them. If you could let John or Sue know this will be a great help.
During the service names will be read out and those attending will have an opportunity to light a candle in a period of silence to remember them.
Please pass to the office, John or Sue, names you would like to be read out.
Refreshments will be served afterwards.
