Sight Loss Sunday - 11th October
Sight Loss Sunday was set up by Torch (torchtrust.org/) in 2021 to be a day which celebrates the individual gifts and talents that people with sight loss can bring to church life. The event also raises awareness of sight loss, and supports church communities nationwide to ensure that they are truly welcoming and accessible to everyone who is blind or partially sighted.
Please pray for those attending a visual impairment awareness course at St George's in the following week; this is to train us to be more aware of those within our communities that we need to help and support in this way.
